

Benevolent Committee Thanksgiving Food Drive

We will be working with New Life Fellowship to distribute food to members as well as providing food baskets for CSBC church and non-church members that we have helped this past year. We will collect food items through November 18. Collection baskets are placed throughout the church.

Monetary donations are also appreciated to help purchase fresh fruits and vegetables as well as turkeys. If providing a monetary donation, please indicate Benevolent Committee Food Drive on your envelope or check.
